Petition	
<p>Requests the Director General to initiate, no later than in two years, a programme to strengthen the capacity of National and Regional Committees so that they can perform their national and/or regional convening role adequately, to develop jointly with National and Regional Committees mechanisms to support and finance more integrated and sustained participation of the National and Regional Committees in the execution of the Union's Programme. Calls on the Director General in consultation with IUCN's National and Regional Committees to enhance coordination within membership as well as coordination with the IUCN Secretariat; and involve IUCN members in the implementation of the Programme 2009-2012, including (i) creating instruments that provide resources to the Committees, thus ensuring their sustainability over time; (ii) strengthening the institutional capacities of the Committees; (iii) strengthening the link between the IUCN Secretariat, the Commissions and the National and Regional Committees, and therefore with the members, keeping them informed of the activities and initiatives implemented in their territories; and (iv) establishing greater cooperation between the IUCN Secretariat, the Commissions, the National and Regional Committees and the membership.</p>
