Resolutions and Recommendations Sheets

Petition	
<p>Urges the Director General to develop appropriate mechanisms to support more integrated and sustained involvement of National and Regional Committees in the implementation of the Union's Programme; to improve communications and relations with the Secretariat; and to jointly develop a Strategy for the Development of National and Regional Committees within the Union's next Development Plan, and requests the Director General to ensure that a global meeting of National and Regional Committees is convened at each World Conservation Congress, beginning with the 2016 Congress.</p>	
State	Fulfilment in Spain
